Attn: Ms. Lopez
United States Bankruptcy - Court of Appeals

Dear Madam Clerk Lopez,

I am submitting as requested a Pro-se construct after our conversation of Friday September 5th 2014 requirements to commence and submit after 14 days post September 2nd 2014 a requirement by the U. S. Bankruptcy Court of Appeals by payment forwarded prior. Case # 09-50026 General Motors Corporation administered by the Honorable Justice Robert E. Gerber presiding. I am as requested forwarding documents of (4) claims initially provided by the Garden City Dublin, Oh. Conveyance in letter By postal delivery. A request of appearance was followed I as executor of my deceased parents Donald John Keeler and Joyce Bentley Keeler of which (4) claims were responded to as a Ancillary estate filing from the State of Maine to the State of New York in Rensselaer county Troy New York 3rd Surrogate Court And also answerable to the Motors Liquidation case 4th Surrogate Court Schenectady by show case order of Estate of Joyce B. Keeler by way of Donald J Keeler (Donald - blind) acting broker brother Holman N. Keeler. Estate of their deceased Mother & Father Estate of Wilbert Richards Keeler (passing 1951) & Alice Charlotte Keeler (passing 1969) of Troy, New York.

The two brothers were the principle fiduciary stock bond holders of the willed Estate of Alice C. Keeler with sister Thelma M Boettger live in Estate and bric a brac itemized Definition in will (Holman N Keeler recently deceased in 2010' 3rd Surrogate holdings & family) in Massachusetts, Maine Boston Maine Atlantic Railroad & prior "Richards" (B& M Mass & Maine) New York Grand Trunk Railroad 1908 Ogdenburg, N.Y. agreement, {Mary E. Richards (London Uk,) executrix Estate of Anna L. Maxwell, William Richards Maine Troy, ITEM # Saratoga, NY.} Allen (Maine), Teal grandmother Alice Charlotte Teal (Diehl) of Berlin New York New York railway) not Defined in the 4th Surrogate Court in Schenectady, New York.

I am writing you to further attempt to move the case of Alice Charlotte Keeler & Wilbert Richards Keeler from the Troy, New York 3rd Surrogate and Schenectady, New York 4th Surrogate Courts due to a on-going case interest and discussion with Madam clerk of the Schenectady Court as information forwarded that "no family prior Stock and Bonds (Rail Oil, GM, GE...) or "Accountability of and for Estate of Donald John Keeler" and by transfer by succession to the Estate of Joyce B. Keeler real property and General Motors Corporation Stock and Bond issuance of and by Wilbert Richards Keeler Stock Broker Manager. Eldest son The transfer of JS Bache & Company and "Holman Nicholas Keeler Bache & Co." heir in 2010 to "was to be conveyed by formal mention to myself as continued distribute by namesake" and request honored by Holman with meeting of current POA Guy Farrington, in his latter days of life in Scotia New York retirement home to which his request to his Attorney (after review of a Lawyer my lawyer Douglas Eldridge of Delmar New York had drawn up a POA document) was as by letter from Attorney Robert VanVranken ITEM # included further reflected inability to sign. Although the further by example was exercised by the Boettgers not in Will at the dismay and discontent of Holman N. Keeler against his Mothers Estate of Alice C. Keeler "pre expressed name sake next generational" eventual demise in Holman N Keeler and Donald J Keeler family futures & hedge fund International & Domestic handling. A further estate matter of the Richards family by recent deceased Richard Wilson Keeler of Troy, New York and "codicil in my name" Zane Wilbert Keeler a.k.a. Richard Alvin Ferraro by Marion Elizabeth Richards was exercised by grandmother Alice C. Keeler in 1966' and executed by Attorney William Satterley of Troy, New York while in presence of Alice C. Keeler. The probate court of Troy has been reluctant to express the connection of or acknowledgement of Marion E. Richards and Richard Wilson Keeler (Son and Daughter) of Farnam Keeler ITEM # depiction enclosed, Farnam was Brother to Wilbert Richards Keeler to which the Mary Elizabeth Richards is a major land and estate interest nationwide in Maine also ITEM # and upper New York State ITEM # to which estate of Holman N Keeler was not noted in the Schenectady or Troy courts bi-laterally in a full disclosure by the Courts. Holman also of interest by way of his Executorships was also a Brown heir in Rensselaer County with land conveyed to Joyce B. Keeler ITEM # of which Maine land exists in Trust also.

I have submitted a General Motors Corporation proof of claim as "unclaimed amount initially" with further fiduciary expectation from upper New York Attorneys which had not relayed any information. A claim as of date filed in the amount of \$200,000,000.00 was placed in the Pacer system and as principle discussions of the Technology perspective as I'd engaged with my relatives early 1986' with Satellite and IBM Developer relations and the Richards family employed by the IBM company has brought myself to a Article of sealed mentioned and sent via separate delivery. Of vital mention to the Madam Clerk Helene Blum in the initial onset of filing that such a sealed postmarked ITEM # was to be opened only before a Justice of future high level discussion. I have been in and as mentioned in my 2006 and rehabilitation re-occurrence in 2010 been subject to family cross specific defamation interests not to be presentable or of character in the fittest as a result of taking care of my blind deceased (considered uneducated 8th grade) by a Sister Principle of Troy, NY school, although Brother Fire Chief of East Glenville N. Y. was adaptive to His family needs.

I have spoken to the Madam Clerk Paula Miller of the 4th Surrogate court and even though the 3 other children I'm in Distribution Stature have been brought forward by the Boettger conveyed interests the Donald J Keeler & Holman N Keeler (by "Succession of Transfer" by my status of Executor Estate of Joyce B. Keeler) and letters by the Court have not been acknowledged (even though Justice Kramer spoke as I of the extended case in Troy family interests which are connected to Maine and throughout) I have been informed by Clerk Miller to "Come forward further to the Schenectady Court" noted within the last month to proceed. No accounting of fiduciary for Donald or Joyce has occurred Bank trust documents of the Estate of Alice C. Keeler were not acknowledged ITEM # and Holman which I'd appeared by council by payment of \$2500.00 introduced in session to Probate Justice Kramer whom left the Bench to the higher court (felt like switching horse mid stream in the race) he'd stated I'd be in receipt of fiduciary claims after a 1 Million Dollar Charity signing was done. Nothing with No avail. Half a house Donald and Holman owned per will was sold back to Fred Boettger & to Thelma's husband was performed. A letter 1 week before Show cause "hearing final" Waiver expressed that a payment had not been rec'vd. By secretary of Dennis Habel my attorney hired to review case of two Courts involved and extensive family interests in Maine and throughout although "payment had been made" ITEM # by trip to Albany, New York months prior and specifics relayed to Sullivan Law firm. A formal complaint has been sent for Professional Regulation Albany, NY with prior letter sent to Mark Orch which further recommended Attorney Council was acted upon. Current contact is Eric awaiting return report was sent to address of 625 Wilson pd rd N Monmouth Maine 04265 to my attention.

*** GENERAL MOTORS CORPORATION Continued: REASON FOR APPEAL**

In Support a matter of Background expressed in the Case 09-50026 with MLC claim numbers has occurred. Re: Matter of Richard Ferraro

Dear Mr. Ferraro:

I have received your various recent phone calls. I do not represent you or your interests. We have made this clear in correspondence and e-mails from the spring of 2010. Our letter of February 23, 2010 indicated that I would not move on to new matters until you brought your current billings up to date and you paid my firm at that time a retainer of \$2,500.00. You failed to do either. My representation for you with regard to the matter of the probate of Holman Keeler is what you had retained me for and that matter was concluded in January of 2010. We did talk about certain property of which you provided to me documentation which showed that you may have had an interest in at 206 Pinewoods Ave., Troy. After I started a discussion and began work on a possible settlement, you chose to ignore that and attempted to move on to other matters. I did not accept employment on other matters and told you that. Because you told me that you did not have the money for the retainer, you then chose to be represented by other counsel. I advised Mr. Ceresia (counsel for Fred Boettger) of the name of your new counsel. As I mentioned above, I do not represent you and I do not wish to represent you in the future. I wish you luck with your endeavors.

Very truly yours,

Re: The Estate of Joyce Bentley Keeler
Holman Keeler

Gentlemen:

This letter follows up mine to you both of February 19 and regarding the above-referenced estate. At that time, I indicated that any contacts involving my client, Holman Keeler, or Mr. Keeler's attorneys-in-fact, Guy and Emma Farrington, were to be directed to my office. Since that letter, Mr. Ferraro has attempted to talk with me by telephone on several occasions. He has recently come to my office with a proposed Power of Attorney to be signed by Holman Keller. I have destroyed that document.

Please be advised again that I will not speak with Mr. Ferraro for any reason. Any communication regarding the referenced estate must be by either one of you only. I have ordered, independently, a review of certain real property records in the County of Rensselaer in order to clarify and confirm title status of certain property or properties about which Mr. Ferraro seems to be concerned. Once I have reviewed those documents, I will advise my clients accordingly.

I have spoken today with Mr. Eldridge to reaffirm the directive set forth in this letter and with respect to Mr. Ferraro and any ongoing attempts to contact Mr. Keeler or the Farringtons. I am requesting that either or both of you notify Mr. Ferraro immediately regarding this communication so that he does not appear at my office again nor attempt in any way to create documents of which my client, Holman Keeler, is currently incapable of signing.

Please confirm receipt of this facsimile transmission by signing a copy of the letter and returning it to my office.

Sincerely yours,

re: The Estate of Joyce Bentley Keeler

Dear Richard:

This letter will confirm our recent conversation. You are a distributee of the estate of your uncle, Holeman Keeler. As a result, you must either waive your right to contest his Will and consent to the probate, or appear in accordance with the Citation issued you, in Surrogate's Court on December 8, 2009 at 10:00am. At that time you will be required to give any objections you have to the probate of the Will.

You inquired whether I would be interested in representing you in this matter. Since this is a contested court matter, and my office does not handle litigation of this sort, I have declined. You mentioned that you had an attorney in Maine who may be interested and you would proceed accordingly with him.

If your understanding differs with what is mentioned in the letter, please contact me immediately.

I would also like to confirm what we have discussed over the past few years concerning my representation. I agreed to represent first your mother's estate, then your father's estate for the purpose of transferring the future interest of the property at Pinewood Avenue in Troy. My research with the lands-record department of the Rensselaer County Clerk's Office indicated that this was the only real estate asset in your parent's names. As we discussed at length, I was not interested in pursuing any issues regarding lost stock, since the time period which had elapsed would make such investigation costly and, given statute of limitations issues, probably impractical. I understand you have undertaken the investigation of this yourself.

I would like to close out the estates for both your mother and father with the Rensselaer County Surrogate's Court. If you should eventually find an asset, the estates can be easily re-opened. To close out the estates involves signing two forms which I will prepare. Please advise as to your willingness to do so.

Thank you.

Very truly yours,
